**Important Information**

- **TRAFFIC:** At the last Musical there were issues regarding traffic delays *(up to 30 mins).* When planning your day please leave home in time to allow for these delays. We ask all parents to please be patient and adhere to the road rules.

- **SEATING** Please note there is no allocated seating. Consider everyone when choosing seats – fill up middle bench seats first and keep aisles empty for safety and movement.

- **Students in Yrs 2-7 will be supervised** sitting with their class for the whole time they are at the venue, so parents can drop them off and pick them up at the end for one performance and stay to watch the other. Those staying will be given a sausage sizzle and watch DVDs until next performance.

- **Students in Years Prep and One will only be performing at the matinee** before the musical from 2pm – 2.10pm. They will need to be collected from the stage and seated with their parents immediately after they perform. They are not part of the actual musical.

- **Year One students** who are in the choir, do not need to come to both performances. They do not go to their parents until after they have finished their extra item.
When deciding which show you will attend, please consider your circumstances. **If you have children in Prep, Year One or younger siblings you should opt for the matinee.** Preps, Year One’s and younger siblings need to sit with their parents and cannot sit in the aisles or on the stairs in front of the stage. This is a safety issue as actors run down the aisles and up the stairs in the dark and won’t see your child until it is too late.

**Please avoid bringing Preps and younger siblings to the evening performance.** We all know a tired child is very unpredictable and it’s not fair on your child, the audience or the performers. If you have a child under 4 who will not cope with a **2 hours 15 min** performance, perhaps the parents could take turns babysitting and going to the show – i.e. one parent could go to the matinee while the other stays home with the child and then swap for the evening performance.

**Remember that the audience should be quiet (like a cinema).** You wouldn’t stay with a crying baby in a cinema so please don’t ruin all the children’s hard work by staying in the auditorium with an unsettled child. Even though this is a very visual performance, you can’t expect a child under 5 to sit still for more than an hour. Please be prepared to leave. The performance is being videoed.

**For those parents with children in various items**, the order of class performances in the Musical is:

1. Junior and Senior Choir
2. PEP Junior
3. Year 2
4. PEP Rabbits
5. Year 3 & 2/3P
6. Year 4/5P & 5S
