### How do I sign up the Charity Mobile Plan?

The Charity Mobile Plan (CMP) is powered by a great partnership between Network Communications and Optus. You can get the latest phone, be on the best plans Optus have to offer, keep your existing mobile number and support SU Qld financially at the same time!

#### How does the CMP work

- Sign up or renew your existing Optus plan with Network Communications in store or by phoning 1300 742 487
- Select SU Qld (Scripture Union) as your preferred charity
- Network Communication will then donate 5% of your monthly mobile bill total towards the work of SU Qld School Chaplaincy In Bundaberg.
